

Utah Valley Motion Picture Grant Application

Calendar Year 2010

The Utah Valley Motion Picture Grant is a post-performance grant. **Filing an application with the Utah Valley Convention and Visitors Bureau (UVCVB), does not automatically qualify a production for the grant.** Due to limited funds, each application will be taken under consideration by the UVCVB Board of Directors.

Grant Process and Criteria

Not every project will qualify for the grant. The Utah Valley Convention and Visitors Bureau is not required to grant projects that include "inappropriate content" or "content that portrays Utah Valley or Utahns in a negative way". Only projects that utilize hotels in Utah Valley are eligible for the grant. Application must be submitted prior to the start of filming.

- 1) **Application:** Submitted Electronically Including:
 - a) Script.
 - b) Submission of total budget including projection of Utah spend.

- 2) **Readiness Requirements:** Production must demonstrate that project is 100% financed and distribution plan is in place.

- 3) **Script Review:** Evaluation and review of submitted script.

- 4) **Post Performance Grant:** Payment is awarded after production wraps and the number of hotel rooms is accounted for.

By signing this Motion Picture Grant Application, the applying organization/individual agrees that it will indemnify, save harmless and release UVCVB and its officers, directors, agents, volunteers and employees from and against any and all loss, damages, injury, liability, suits and proceedings arising out of the organization's performance related to the event which are caused in whole or in part by the negligence of the recipients officers, agents, volunteers, or employees.

Recipient must submit the number of hotel room nights utilized in Utah Valley and the budget spent in Utah Valley by the last day of the month the event is completed in.
