

Bring Everyone Together for This Summer's Bucket List

By Vanessa Stone

Make the most of every weekend this Summer. Whether you are looking for something to do tonight or for an upcoming reunion, Utah Valley has several events to keep you and your group entertained.

Here is the 2010 Family Tourism Bucket List, which is bound to make for a good time while gathering all of your family and friends together.

Singing and Stars- Attend one of our outdoor amphitheaters located in Utah Valley, the SCERA Shell Outdoor Theater, Thanksgiving Point Water Fall Amphitheater, and the Sundance Summer Theater. You'll love being outside under the stars, barefoot in the grass, while watching these musical productions.

Experience Your Own Jurassic Park- The Museum of Ancient Life at Thanksgiving Point is the world's largest dinosaur museum. You're imaginations will go wild picturing these giant creatures roaming the earth.

To Golf or not to Golf- Enjoy summer in full swing. The UVCVB ParPass provides access to 11 of our local public golf courses at a valued packaged rate.

Soar Above it All- Scenic ski lift rides are held at Sundance all spring and summer long during the day or under the moonlight.

American's Freedom Festival- Join the 4th of July excitement as we celebrate with activities all week including one of the biggest firework productions in the country featuring Carrie Underwood.

Cowboy Up- Whether you're a little bit country or a little bit rock and roll, attending a rodeo this summer is a must. Popular local rodeos include Lehi Round-Up and Spanish Fork Fiesta Days.

Savor the Flavor- Your mouth will water at this unique event. The Payson Salmon Supper involves thousands of pounds of fresh Alaskan salmon that is fire-grilled by local firemen. Musicians and singers serenade the crowd while in line, which with years of tradition is quick and efficient.
